POST GAME QUOTES FROM BUCS COACH JOHN MCKAY:

I didn't think we played very well. I thought they would be more advanced than us, after all they had played one game already. And one game helps you a lot.

We made a lot of errors on formations and things like that. We dropped more balls than I thought we would drop.

We had more injuries than they had in the Battle of the Bulge, otherwise it was a pleasant evening.

I think both of our quarterbacks had a respectable night. Probably Jerry in the second half (played weel), of course they ~~had their~~ took out their regulars.

They blitzed us more than we thought they would blitz us, but we finally caught them in one near the goal line (Morton's TD).

BUM PHILLIPS:

I thought Tampa played well. They made some mistakes and gave us a few opportunities but they came back. We played with a lot more intensity than last. Our first unit rushed the passer a lot better tonight.

Every time we blitzed they ran right up the middle (like on the touchdown?) Exactly.

We've got to get better running the ball. I'm pleased with the way we played, we made some mistakes but that's what preseasons for.

BUC INJURIES

George Yarno - possible fractured facial bone
Dave Barrett - knee injury (arthrogram scheduled for Sunday)
John Samuelson - pulled calf
Joe Ferraro - sprained knee
Kelly Thomas - sprained ankle
Terrell Middleton - sprained ankle
Johnny Ray Smith - bruised ribs
Thomas Morris - pulled hamstring

BUC PLAYERS

JACK THOMPSON: "I think overall that some of the things we did offensively show a lot of promise. Our offensive line did a great job. There were a couple of things I could have done better but I had fun.

JEREMIAH CASTILLE: "I counted on them throiwnng my way a lot since i'm a rookie. I felt I made some mistakes but I'll work on them. ON the interception we had man coverage, the quarterback rolled out as my man did a curl route. I jsut jumped in front and grabbed it.

TERDELL MIDDLETON: "It seemed like my first carry in four years. It felt real nice. I was looking forward to running out some kicks but that guy kicked real deep. It felt good getting out there and being banged and bruised again.

SAINT PLAYERS

GEORGE ROGERS: "I think we're on the right road. They are a good defensive team and have always been one. We'll get better in more time, we can't get any worse. Right now we're just getting our timing down.

GUIDO MERKENS: (On interception)"Everybody did the right thing but me. Tampa Bay has one of the most physical defenses in the league. We get them in the reuglar season however. "
