COACH JOHN MCKAY after Baltimore game

We played another spectacular game although we made far too many errors. The offensive line did a pretty good job even though Carlton was hurt for a great deal of the game. There will be no starting running backs, whatever six are left will play.

Johnny Davis ran as well as you can run although he forgot sometimes to take the ball with him.

Williams did everything we asked, he passed accurately and long he is a very good athlete. He might have the record for ~~the~~ the longest incomplete pass and he handled the basics very well.

We used a lot of two tight ends tonight, except after Obradovich got injured. The highly important thing was that our offensive line played very well.

BALTIMORE COACH TED MARCHIBRODA

ON LOSS Of course I was disappointed. We didn't take the opportunities to score when we had the ball, we were looking at people but you can be sure we were here to win.

ON BUCS ... The Bucs executed very well, they ran hard and they threw the ball well. They did an excellent job.

ON PENALTIES ... There were an awful lot of penalties and we're going to have to learn to keep our poise more in a game.
