DETROIT LIONS' HEAD COACH DARRYL ROGERS:

"I felt we had a chance to win if we got the ball back (at the end). We're obviously not really pleased when we give games away... however, we picked up points off they're kicking game and they picked up points off ours."

"We had two great touchdown catches in the game (by Darrell Gwynes and Eric Trivillion). It's the first time that I can recall since I have been here when we've had receivers go up and take the ball away ~~for~~ for touchdowns."

"I'm proud of our ~~of~~ young men. They gave us an excellent effort and I'm proud of them. I'm just disappointed we lost the game. Now we're 0-3."

"We're going to start tomorrow (Monday) as if our current players are ~~those~~ those we're playing with Sunday in Green Bay. We have no indication otherwise, so we assume these are the players ~~we~~ we'll play with."

TAMPA BAY BUCCANEERS' HEAD COACH RAY PERKINS:

"The best thing about today to me ~~is~~ is that we're 2-0... I mean 2-1 after three games of play. I thought there were obviously some mishap plays that occur in early games when you first put a bunch of guys together, but I'm happy for these guys that they could come out on top as a winner, in a dream-type game for them. Whether we play with them again next week I don't know, but I think they enjoyed it. The biggest thing is that it did count, and that we're 2-1"

On 17-0 deficit early in game: "We just kept plugging and plugging. We had a few guys ~~make~~ ~~us~~ some plays and we had a chance to make some more plays. But very early in the game, I think they (Lions) hit (Eric) Trivillion two times just out in front of our guys. The quarterback threw it up and down the field and he ~~travillion~~ (Trivillion) goes out and battles. He just wants the football more. I can't believe that he didn't make Detroit's football team to start with, because we thought that he was a real good receiver. They just outplayed us in the first half."
