NEW ORLEANS - TAMPA BAY
COACHES QUOTES

John McKay (Tampa Bay): "The Bucs were not awe-inspiring in victory. Maybe we're at the stage where we can play poorly and win. We played pass defense like someone else had diagrammed it, but we did win.

"When our first offensive line was in they played pretty effectively. All our guys played well on offense, except those that held.

(On the defense against the Saints): "They at least held in there. They didn't let Chandler get a bomb.

(On overall play against Saints): "Blame it on the rug. I can't blame it on myself."

(On Archie Manning) "I thought we played him well. Maybe we went to the prevent too early. With the clock running we didn't want him to complete deep.

(On the pass rush) "We got a pretty good rush from three men. They threw the ball to their backs a lot, and that's what we want them to do.

(On his quarterbacks) "I thought Boryla was exceptional in the first half. He threw extremely well. He was victim of some holding calls. Doug Williams didn't throw it as long as he did last week. He threw it 75 yards tonight, not 80.

(Anything unexpected from Saints?) The Saints do have a better offense than last year -- Manning, Galbreath, Muncie, Childs, Harris.

(Is it scary to win this many in a row?) Yes. You play to win and hope that guy doesn't get hurt.

"I think Dick Nolan is going to have a pretty good football team, but at least the Bucs found out they can compete with some teams in the NFL."

Dick Nolan (New Orleans): "Overall we played better defense and moved the ball on offense, but when we got down there we couldn't get it across. We got down there three times but just couldn't get it in.

"We moved the ball well on a good defense. Our defense let them off the hook a few times. Overall we played better defense than last week.

"We played better, but we certainly have to play a lot better than that."
