#### CLEVELAND BROWNS VS. TAMPA BAY BUCCANEERS AT CLEVELAND STADIUM

BUD CARSON: ''We didn't play well in any phase of the game...the coaches did not coach well. We did about everything wrong that we could possibley do wrong at the very worst possible time we could do it. We've got one week to put a lot of things together.

ON TAMPA BAY: Tampa Bay came off a horrible performance last week and played awfully well.

I don't know if we are sitting around thinking about the four playoffs we were in or what. Whatever we're thinking about it's not contributing to us playing good football. There's not much more I can add, I was embarrassed like I haven't been in a long time. And that's been with football teams that have not had half the talent we've had here.

ABOUT BERNIE KOSAR: "I understand the top half of the knee cap has been cut. A little bit of stiffness...no ligament...he h $\phi u \not = 1$  should be fine...nothing major.

ON THE PASS RUSH: 'Where we've gone, I really don't know, but we better find out. I've been doing a poor job lately and I'm going to get back to concentrate on it. Hopefullly, we will find out what is wrong with our pass rush... It's not jsut the pass rush it's our coverage as well. The passes Testaverde was throwing were coming out of there awfully quick. They were doing things that they had to do when you don't have a good offensive line. You throw quick passes, you run the ball, and they did that very well. There's no sense for me standing up here making excuses, it was horrible, it was miserable... And we have a ton of work to do so we're going to hitch up our trousers and find out how much pride comes from being in those four playoffs.
