POST-GAME NOTES and QUOTES

Tampa Bay vs. Chicago
January 2, 1983

Bill Capece became the first Buc placekicker ever to kick four field goals in one game today. Three field goals had been kicked 10 times before, four times by Capece. Capece finishes the year with 18 field goals in 23 attempts. The 18 field goals is a new Tampa Bay record (Garo Yepremian kicked 16, also in 23 attempts, in 16 games in 1980).

CHICAGO COACH MIKE DITKA: "It was evident that we had our opportunities today. We let a good football team come back and beat us. I don't take anything away from them. It's unfortunate that we had it under control and lost it. I'm proud of the way the guys tried to play. We'll be back and we will be a better football team."

(fourth quarter inability to move): "It's what you call mental toughness. We tried to move the plays around the best we could. It seemed like we had some bad selections because the Bucs had the right defenses on. I have to give them credit. But I'm not saying we didn't play the kind of game we could play offensively against them."

"Our defense did enough early that we could have been in better shape than we were. And we just have to be more consistent."

(Wilder's run): "You figure they are coming out and you don't know exactly what they are going to do. They had been throwing the ball on every down. They make a good play (call), a couple of good blocks, nobody's there and so it goes. Otherwise we played the run good all day."

(Williams): "Number 12 did a good job at quarterback. He made some runs that were very vital to their continuing drive. He had enough patience to stay in after he started out bad and hit some good plays. I've got to give him credit, he's got a lot of guts."

BUCCANEER INJURY REPORT

| | |
|------------------|----------------------------------|
| Johnny Ray Smith | - DB - bruised shoulder and knee |
| Mike Washington | - DB - bruised lower back |
| Doug Williams | - QB - pulled thigh muscle |
| Cedric Brown | - DB - bruised shoulder |
| James Owens | - RB - sprained ankle |

BUCCANEER COACH JOHN MCKAY: "We are going to get a heart check and a gut check. We can figure out how to get in the biggest messes all the time. We dropped more passes than we ever have."

"We are very tickled to win. Chicago played very hard. I think they got some breaks and we got some breaks. In the end, Wilder's run was a magnificent piece of strategy. We call it 18-pitch eat, just pitch the ball and everybody block somebody, it's a very tricky play. We thought they came in with their nickel (defense) and we just didn't want to throw the ball on first down on the nickel."

"We knew a tie would win it for us (get Bucs in playoffs)."

"They mixed their defense very well and just forced us into a passing game. Which we didn't mind once we decided which team had the orange shirts and which team had the white shirts. We were confused as to who were the good guys and who were the bad guys."

"What we did today that hurt us the most was drop passes. I think Kevin House dropped three. Kevin House has never dropped three passes. Gerald Carter dropped one at the five-yard line. We must have dropped five passes that I bet we wouldn't drop again. House is a great receiver but he had three drops today. That just doesn't happen very often to him."

(Williams health): "I don't know. He took a battering and a beating, et cetera. We will have see. I'll say he's pretty damn sore."
