POST GAME NOTES  
Tampa Bay vs. Chicago  
December 20, 1980

TAMPA BAY COACH JOHN MCKAY; "We got beat, Chicago won, they're the better team, that's all I can say."

(Asked if he had found out what had happened on the field goal): "If there was a way to do it we'd would have found out how to do it."

"We should not fumble the football. It is absolutely ridiculous to do it. You shouldn't do it in high school, junior high school, Pop Warner. In professional football when you are paid money you should not drop the football. It's disgusting, ridiculous and has no part in the game. We started it early and continued it right on through the final game."

(is replacement of players or practice the cure for fumbling?) Replacement will have to do it because we already practice enough.

CHICAGO COACH NEILL ARMSTRONG: "As some coaches have said in the past it wasn't very artistic but it was good to win a close game. It's always good to win the last game of the year."

"We had extra point blocking on the last play. Maybe they could have faked it and made it against that rush but I agree with them, you've got to go for the field goal, that's all they have to do. I would have done the same thing. We got lucky. They completed the long balls on us and we made the tackle and knocked the ball out. We had some good breaks today. No question about it, the breaks came for us at the right time."

"I thought Otis Wilson played a very good ball game from what I saw from the sidelines. He made a big interception and he made a lot of tackles."

(field goal - where did Alan line up) Buddy asked me what I thought about extra point blocking and I said, "let's go with it, it's now or ever." I don't think Yepremian could have run like Chester Marcol. Page told me that if he had kicked the ball right up the gut the ball would have gone right back a long way because he was through too."

(Why was Walter able to run so well against a team he usually he doesn't?) "Of course the last time we played them he made 133 yards. We felt like if he could do it once he could do it again. At one point there in the second half, I guess it was there in the third quarter, he seemed to start running the ball pretty well so we stayed with it for awhile. We got away from the pitches from the I formation because the people just didn't feel we could run it wide from the feedback we got from them. We were running the ball up inside from the "I" as much as anything."

NOTES: With the win Chicago clinches third place in the NFC Central this year. For the schedule implications please refer to the game notes. Tampa Bay is finished for the year at 5-10-1. Green Bay is 5-9-1 with Detroit tomorrow. If Green Bay wins, the Bucs finish fifth, if Green Bay loses Tampa Bay is considered the fourth place finisher due to their 1-0-1 record in head-to-head competition with Green Bay. For the schedule implications, please see the game notes. The formula listed in the game notes is correct, do not refer to this week's Buccaneer release.

DOUG WILLIAMS final statistics for the year.- 254 of 521 for 3,396 yards, 20 touchdowns, 16 interceptions and a quarterback rating of 69.7. His 350 yards passing today is the second best total of his career and represents his fourth 300-yard plus game this year.

WALTER PAYTON is now the fifth leading rusher in the NFL history. His 130 yards today give him a career total of 8,386 yards which is eight better than Joe Perry's total of 8,378. Today was Walter Payton's eighth 100-yard game of the season and the 42nd of his career. Payton finished the year with 1,460 yards rushing and will win his fifth consecutive NFC rushing title unless Billy Sims gains over 211 yards tomorrow or Ottis Anderson gains over 230 yards.
